Rates Updated for Adult Day Health Care Codes S5100 and S5102

Attention provider types (PTs) 39 (Adult Day Health Care) and 48 (Home and Community Based Waiver for the Frail Elderly): Per the 2017 Nevada Legislative change approved by the Centers for Medicare & Medicaid Services (CMS), the rate for adult day health care services has been increased by 5 percent. The new rates have been updated in the Medicaid Management Information System (MMIS) effective with dates of service on or after October 1, 2017, for codes S5100 (Adult day care services, 15 min) and S5102 (Adult day care per diem) billed by PTs 39 and 48.

Claims for codes S5100 and S5102 submitted by PTs 39 and 48 with dates of service on or after October 1, 2017, through February 21, 2018, that paid at the previous rates will be automatically reprocessed to pay at the updated rates. Providers do not need to resubmit or appeal the impacted claims. A future web announcement will notify providers when the claims will be reprocessed.
